Model Performance Testing

Adding Admission For Student

The screenshot shows a ServiceNow interface for adding a new admission record. The top navigation bar includes links for All, Favorites, History, Workspaces, Admin, and a ServiceNow logo. The main header displays "Admission" and "New record". The top section contains fields for Admin Status (dropdown), Admission Number (text input), Admin Number (text input with value SAL0001006), Class (dropdown), and Comments (text area). Below this is a "New Section" header, followed by a group of fields: District (text input), Area (text input), House No (text input), Mandal (text input), Purpose of join (dropdown), Pincode (dropdown), School (dropdown), School Area (dropdown), and Fee (text input with value \$0.00).

Parameter	Description
Admission Number	A unique identifier assigned by the system for this specific admission record. (Example shown: SAL001006).
Admin Status	The current stage or administrative status of the admission process. Possible values include 'New,' 'In Progress,' 'Pending Review,' 'Approved,' or 'Rejected.'
Fee	The amount of the initial admission or application fee associated with this record. (Value shown: \$0.00, indicating an entry is pending or it's waived).
Purpose of Join	The student's stated primary reason or goal for joining the educational organization (e.g., 'Higher Education,' 'Skill Development').
Comments	A free-text field for notes, remarks, or special instructions related to the student's admission or any actions taken by staff.

Adding Salesforce For Student

The screenshot shows a ServiceNow interface for creating a new record. The title bar says "Salesforce - Create SAL0001008". The page header includes "servicenow", "All", "Favorites", "History", "Workspaces", and a search bar. Below the header, there are several input fields:

- Admin Status: A dropdown menu showing "-- None --".
- Admission Number: A text input field containing "SAL0001008".
- Admin Number: A text input field containing "SAL0001008".
- Class: A dropdown menu showing "Salesforce".
- Comments: An empty text input field.
- District: An empty text input field.
- Fee: A text input field containing "\$0.00".
- Number: A text input field containing "SAL0001007".

At the bottom left is a "Submit" button.

Parameter	Description
District	The geographical or administrative district associated with the student, such as their residential district or the district of a previous school.
Number	Another unique identifier, likely a record number for the underlying ServiceNow table . This might be the system's internal ID for the record, distinct from the Admission Number which could be business-facing.

Admission Number	A unique identifier for this specific admission application or record. Often automatically assigned by the system.
Admin Status	The current administrative status of the admission record. This tracks the progress of an applicant through the admission pipeline.

Adding Salesforce For Student

The screenshot shows a ServiceNow 'Student Progress - Create' page. At the top, there's a navigation bar with 'servicenow', 'All', 'Favorites', 'History', 'Workspaces', and a search bar. Below the header, it says 'Student Progress - Create Created' with a star icon. The main area has a 'New record' indicator. There are two groups of input fields. The left group contains 'Admission Number' (with a magnifying glass icon), 'Hindi', 'Maths', 'Result', 'Social', 'English', and 'Created'. The right group contains 'Telugu', 'Science', and 'Total'. At the bottom right is a 'Submit' button.

Parameter	Description
Admission Number	A unique identifier for the student , linking this progress record back to a specific student's admission or enrollment. The magnifying glass indicates it's likely a reference field to a Student or Admission table.
Hindi	The score or grade achieved by the student in the Hindi language subject.
Total	The total score or sum of grades across all listed subjects for the student. This would likely be a calculated field.
